SALTERS' *National Awards for* Science Technicians

in association with:

The Association for Science Education
CLEAPSS
The Institute of Physics
The Nuffield Foundation
The Royal Society
The Royal Society of Chemistry
The Society of Biology

**Up to Four Awards
of £250!**

The Awards are open to science technicians:

- in schools and colleges for students up to 18 years old
- who also have five or more years experience in schools or colleges

**Closing Date:
1 March 2012**

How to nominate:

- A nomination form may be downloaded from our website, or requested by email or from the address opposite.
- The form should be completed by the Headteacher or Head of Science and returned to the Salters' Institute no later than the closing date.
- A technician who has been nominated on a previous occasion but was unsuccessful can be nominated again providing he or she still meets the criteria (full information on our website) and a new form is completed.

3-day residential Chemistry Camps held at Universities throughout the UK

*Hands-on practical
Chemistry in
University laboratories*

Students can experience.....

- Hands-on practical Chemistry in University labs
- A taste of life in University Halls of Residence
- Lively chemical demonstrations
- A variety of evening social activities

Who is eligible?

The Salters' Chemistry Camps are open to students at all secondary schools in the UK and the Republic of Ireland.

A school may nominate up to four students from:

- Year 10 in England and Wales
- S3 in Scotland
- Year 11 in Northern Ireland
- Year 3 in the Republic of Ireland

Please note a maximum of two students of the four will be selected for the same Camp.

We are looking for students who are enthusiastic about Chemistry, whether they have already decided to continue studying the subject post-16 or not.

Cost?

Each student will only have to pay a non-refundable Camp fee of £95 (the actual cost of each student place is £250-£300) and the student, or their school, will be expected to cover travel expenses.

Payment will only be requested once the students have been selected.

To make the most of this opportunity it is important that students are able to participate for the entire Camp. Therefore we urge you to check in advance in case your students have examinations or work experience, for example, which could clash with any Camps. Please note however, that the arrival time at a Camp is not until 12 noon, so any commitments on that day need not necessarily exclude students from attending a Camp.

Applications will be considered in the order in which they are received. For students to secure a place at the Camp of their choice, they are advised to apply as early as possible.

1-day Festivals of Chemistry held at Universities throughout the UK and Ireland

**Closing Date for Entries:
31 January 2012**

What to look forward to?

Each team will enjoy free entry to a Festival which will include the following highlights:

- Hands-on practical chemistry challenges in University laboratories with no advance preparation required
- Amazing chemical demonstrations
- Prize giving ceremony with prizes for winning schools
- Fun prizes and certificates for all participants

For further information....

please contact:

The Festivals Administrator
The Salters' Institute
Salters' Hall
4 Fore Street
London EC2Y 5DE

Tel: 020 7628 5962 ext. 224
Fax: 020 7638 3679
Email: festivals@salters.co.uk

Entries can be made online by visiting our website: www.festivalsofchemistry.co.uk or by sending in the Festivals entry form.

Places are allocated on a first come-first served basis.

Who is eligible?

A school may enter only one team of **four** students from:

- Year 7 and/or 8 in England and Wales
- Year P7 and/or S1 in Scotland
- Year 8 and/or 9 in Northern Ireland
- Final year primary school and/or first year secondary school in the Republic of Ireland

2012

ENTRY FORM

The Salters' Institute, in partnership with the RSC, will be holding **54 Salters' Festivals of Chemistry** between **March and June 2012**. These are one-day events held at various Universities throughout the **UK** and the **Republic of Ireland**.

The morning activity will be a practical challenge ("**The Salters' Challenge**") which will be common to all the Festivals. There will be a second practical challenge in the afternoon chosen by the University ("**The University Challenge**"). These are hands-on activities for which **no advance preparation is required**.

All students taking part will receive **fun prizes** and **participation certificates**. Prizes will be awarded to the winning schools and members of the winning teams will additionally receive individual prizes and certificates.

Entry is free and is restricted to **one** team of **four** students from:-

- Years 7 and/or 8 in England and Wales
 - Years P7 and/or S1 in Scotland
 - Year 8 and/or 9 in Northern Ireland
 - Final year primary school and/or Year 1 secondary school in the Republic of Ireland
- Students who have participated before are not eligible to participate again.***

If you would like to enter a team from your school, please complete and return this form to:-
Salters' Festivals of Chemistry, Salters' Hall, Fore Street, London, EC2Y 5DE or by fax to 020 7638 3679 or alternatively **enter online** via our website **www.festivalsofchemistry.co.uk**

A list of Festival venues and dates is shown overleaf. If we are unable to offer you a place at your preferred choice, we may be able to offer a place at your second choice or nearest alternative venue. Places will be allocated in the order in which entries are received. To secure a place at the Festival of your choice you are advised to apply as early as possible.

Please note that schools who cancel within fourteen days of the Festival, or who fail to show up on the day, will be charged a cancellation fee of £25 (€30). If you need to cancel your entry for any reason it is essential that you contact the Festivals Administrator at The Salters' Institute and not the University Host. Failure to do so will incur the cancellation fee.
