

The Salters' Institute

A Pinch of Salt!

November 2010

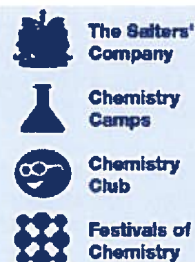

2011 brings another record breaking year for the Salters' Institute with **19 Salters' Chemistry Camps** due to take place at selected Universities between June and August. Preparations are also underway for the **Salters' Festivals of Chemistry** which will be hosted at Universities throughout the UK and Ireland between March and June 2011.

There are **51 Salters' Festivals of Chemistry**, in partnership with the **Royal Society of Chemistry**, taking place in 2011. Schools are invited to enter one team of four students from **Years 7 and/or 8 (or equivalent)** to participate in these popular events. Participants will enjoy two practical Chemistry challenges in University laboratories, exciting chemical demonstrations, prizes for winning schools, and certificates and fun prizes for all. Places are allocated on a first-come-first-served basis so ensure that you enter early to avoid disappointment.

CLOSING DATE: 31 JANUARY 2011

Entries for the **2011 Salters' Festivals of Chemistry** can be made online. For further information and to apply online please click on the link below:-

SALTERS'

Chemistry
Camps

The **Salters' Chemistry Camps** are residential events for students from **Year 10 (or equivalent)**. Participants can learn more about Chemistry while gaining a taste of University life - staying in the Halls of Residence and socialising with new friends during the evening activities.

Application forms for the **2011 Salters' Chemistry Camps** can be downloaded from our website. Applications will be considered in the order in which they are received. No closing has been set. For students to secure a place at the Camp of their choice, they are advised to **apply as early as possible**.

For further information and to download an application form please click on the link below:-

Salters' National Awards for Science Technicians 2011

If you have a hardworking technician at your school or college that deserves recognition, then please nominate them for the **Salters' National Awards for Science Technicians 2011**. The Headteacher or Head of Science in schools and colleges with students up to the age of 18, can nominate a technician with 5 or more years experience.

CLOSING DATE: 1 MARCH 2011

Nomination forms for the **2011 Salters' National Awards for Science Technicians** can be downloaded from our website. For further information and to download a nomination form please click on the link below:-

Farewell to Stephanie

Stephanie Amos, one of our Camps Administrators, has moved on with her career after four successful years with the Institute. We wish her all the best in her new position and welcome a new member of staff, Vicky Gray, to the team

Salters' Book Grants 2011

Book grants of up to £500 are available to schools who follow the following Salters' Curricula:-

Salters-Nuffield Advanced Biology
Salters Advanced Chemistry
Salters Horners Advanced Physics

Applications for the Salters' Book Grants can be completed online. For further information and to apply online please click on the link below:-

The RSC Bill Bryson Prize for Science Communication 2011

Looking for ways to help your students gain a greater confidence in their writing and a sense of achievement?

The **RSC Bill Bryson Prize 2011**, an engaging and popular science writing competition for primary and secondary schools offers just that.

The winning schools and students win a cash prize, get their work published on the RSC website and get the chance to meet the author.

This year to celebrate the International Year of Chemistry in 2011, which provides the theme for this year's competition, there is also an entry category for non-UK schools.

CLOSING DATE: 31 MARCH 2011
