

“....The students had a fantastic time and really enjoyed the independent practical work that they carried out throughout the day.”

- **Hands-on practical Chemistry challenges in University laboratories**
- **Impressive chemical demonstrations**
- **Prize giving ceremony with prizes for winning schools**
- **Fun prizes and certificates for all participants**

“....such an engaging and interesting event!”

Host Universities 2010

SCOTLAND

The University of Glasgow (1st Festival)
 The University of Glasgow (2nd Festival)

REPUBLIC OF IRELAND

University College, Cork
 The University of Dublin, Trinity College

Wednesday 5 May
 Saturday 24 April

“...It was a smooth and well planned day. My students had a great time!”

Salters' Festivals of Chemistry in partnership with the Royal Society of Chemistry are held at Universities throughout the UK and Ireland

A school may only enter one team of **four** students from:

- Year 7 and/or 8 in England and Wales
- Year P7 and/or S1 in Scotland
- Year 8 in Northern Ireland (first year secondary school)
- Final year primary school and first year secondary school in the Republic of Ireland

Closing date for entries is 31 January 2010
